MORRIS CANAL, HOTEL

HAER.  
NJ,  
21-PHIL,  
1-B-

Date: Circa 1830.

Location: Phillipsburg Vicinity, Warren County, New Jersey.

Significance: This is a representative example of numerous structures built along the Morris Canal by private interests to service travellers making the trip between Phillipsburg and Jersey City. Although altered over the years one can still see the simple construction techniques used in building the original structure.
